

Aboriginal Support Group - Manly Warringah Pittwater

Join us for the
NEW Moon Ceremony
Tuesday 3rd September 2024
5.30pm for 6.00pm start

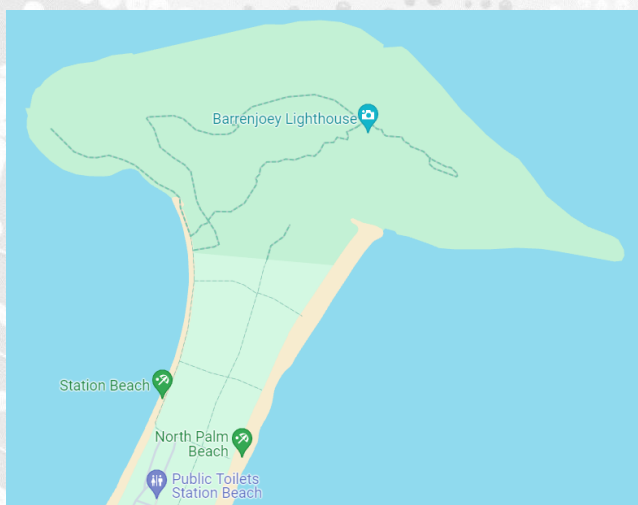

Celebrate traditional Aboriginal culture with us in a New Moon Ceremony on the Pittwater side of **Palm Beach**.

Follow the road thru Governor Phillip Park to the end at Station Beach and look for the Aboriginal flags.

There will be a Traditional Smoking Ceremony and a Welcome to Country performed by local Garigal men.

Immerse yourself in the Smoke and release your problems, leave them with the old moon and welcome in the new moon with a refreshing washing of your feet for a fresh start, meditating on your new intentions.

We will all enjoy the relaxing atmosphere. There will be dancing around the fire. Clapsticks playing, the sound of the didgeridoo playing. There will be some story telling as well. Kids are most welcome.

How good are you at emu and kangaroo dancing and maybe goanna dancing?

This event is run by descendants of the Traditional Custodians of Garigal Country.

We suggest you bring a folding chair and/or blanket and some water. Or picnic dinner.

This free community event is alcohol-free.

All Welcome
